Task: Initial Design on the line charts and map design

operation

1) Hover on the line

↳ shows data for the crime type, etc for that year

2) Tooltips for the proportional graduated symbol map if you hover over each state

Components

Line chart

↳ Assault crime  
↳ property crime

Proportional graduated symbol map

↳ show crime rates by state

Discussion (Pro and Cons)

Pros

↳ Comprehensive

↳ show the overall trend for each crime type over a time series

↳ easier to make comparison

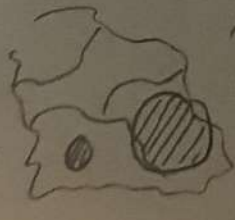

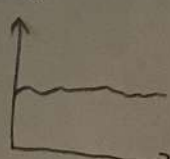

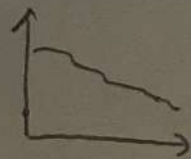

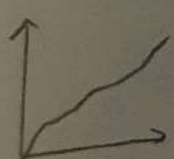

Cons

↳ having 2 different line chart might be redundant

↳ combine into 1 multiline chart

Focus

Overall trend of each crime type over a time series

to see which state has the biggest bubble size

crime ↑ bubble size ↑
